April 5, 2020

Dear Students,

I hope you are all taking safety measures against COVID 19 and keeping well. I am glad to see that most of you have attended your online Zoom classes today. Please note that your attendance will be taken by your subject teachers and therefore it is important that you attend your classes regularly and on time. You will have formative and summative assessments in term 4 as usual but perhaps keeping the situation in mind the assessments will be adjusted to best fit our distance learning context. You all know that NAPLAN has been cancelled for May 2020 but you can still continue with the practice for developing your literacy and numeracy skills.

We are closely monitoring your interaction during the classes and let me remind you that any untoward comment and/ behavior which will be detrimental to a productive class will not be accepted under any circumstance.

I believe you will make the best use of the Zoom online lessons, google classroom instructions and the time you are getting to spend with your family in this unprecedented time. Remember as IB-MYP students, you must stay positive and maintain discipline at home.

The MYP unit information for term 4 is shared in the google classroom. I hope and pray that soon we will all be able to get back to our usual life and take this experience to guide us in making responsible choices in the future. I miss you all very much and look forward to seeing you soon.

Eat healthy, do a bit of exercise, don't stay up late, sleep well and most importantly keep smiling:)

Best wishes,
Ms. Rijwana Ameen Chowdhury
MYP Coordinator
AusIS
